Block 4: Discount Calculation Worksheet A
for Schools/School Districts

Worksheet #A-_____

Page 13 of _83_

Instructions: If you are filing a School/School District application, use this worksheet to calculate the discount rate for site-specific services and/or to determine the weighted average discount calculations for shared services.

(For Administrator's Use)

10a If you are:
- Applying for discounts ONLY for an individual school, or ONLY site-specific services: Complete columns 1-7 only for each school. Add and number pages as needed. Then use each school's Entity Number and its discount from Column 7 to complete Block 5 site-specific service to that school.
- Applying for discounts on services shared by ALL schools in the district (with or without site-specific services as well): Complete all columns 1-8 for all schools in the district. Then use the Weighted Average Discount in 10c (below) to complete Block 5 for shared services.
- Applying for discounts on different shared services shared by different groups of schools (with or without site-specific services as well): Complete one worksheet, columns 1-8 PLUS 10c, for EACH different group of schools sharing a service. Designate this worksheet A-1, A-2, A-3, etc.

10b List entities and calculate discount(s).

School District Name: Clinton School District____   School District Entity Number: __132933___

1	2	3	4	5	6	7	8
Name of Eligible School	Entity Number	Urban or Rural U or R	Total # of Students	# of Students Eligible for NSLP	% Students Eligible for NSLP (Col. 5 ÷ Col. 4)	Discount % from Discount Matrix	Weighted Product for Calculating Shared Discount (Col. 4 x Col. 7)
Clinton Elementary School	61520	U	437	67	15.30%	40%	174.8
Clinton High School	61521	U	389	22	5.70%	40%	155.6
Clinton Middle School	61522	U	341	52	15.20%	40%	136.4
Totals for calculating Weighted Average Discount			1,167				466.8

10c Weighted Average Discount % for Shared Services (Col. 8 total divided by Col. 4 total. Round to nearest %) ➞ **40%**

Block 4: Discount Calculation Worksheet A
for Schools/School Districts

Worksheet #A-_____

Page 14 of __83_

Instructions: If you are filing a School/School District application, use this worksheet to calculate the discount rate for site-specific services and/or to determine the weighted average discount calculations for shared services.

(For Administrator's Use)

10a If you are:
- Applying for discounts ONLY for an individual school, or ONLY site-specific services: Complete columns 1-7 only for each school. Add and number pages as needed. Then use each school's Entity Number and its discount from Column 7 to complete Block 5 site-specific service to that school.
- Applying for discounts on services shared by ALL schools in the district (with or without site-specific services as well): Complete all columns 1-8 for all schools in the district. Then use the Weighted Average Discount in 10c (below) to complete Block 5 for shared services.
- Applying for discounts on different shared services shared by different groups of schools (with or without site-specific services as well): Complete one worksheet, columns 1-8 PLUS 10c, for EACH different group of schools sharing a service. Designate this worksheet A-1, A-2, A-3, etc.

10b List entities and calculate discount(s).

School District Name: Deerfield School District____   School District Entity Number: __132939

Instructions: If you are filing a School/School District application, use this worksheet to calculate the discount rate for site-specific services and/or to determine the weighted average discount calculations for shared services.

(For Administrator's Use)

10a If you are:
- **Applying for discounts ONLY for an individual school, or ONLY site-specific services:** Complete columns 1-7 only for each school. Add and number pages as needed. Then use each school's Entity Number and its discount from Column 7 to complete Block 5 site-specific service to that school.
- **Applying for discounts on services shared by ALL schools in the district (with or without site-specific services as well):** Complete all columns 1-8 for all schools in the district. Then use the Weighted Average Discount in **10c** (below) to complete Block 5 for shared services.
- **Applying for discounts on different shared services shared by different groups of schools (with or without site-specific services as well):** Complete one worksheet, columns 1-8 PLUS 10c, for EACH different group of schools sharing a service. Designate this worksheet A-1, A-2, A-3, etc.

10b List entities and calculate discount(s).
